

Legislative Reception

SPONSORED BY: HMONG CHAMBER OF COMMERCE, HUGO BUSINESS ASSOCIATION, VADNAIS HEIGHTS ECONOMIC DEVELOPMENT CORPORATION & WHITE BEAR AREA CHAMBER OF COMMERCE

This Legislative Reception is for business and community leaders interested in engaging their elected representatives in an informal atmosphere. This year we are creating a special event with key business groups representing the northeast suburban Ramsey County area. They include: *the Hmong Chamber of Chamber of Commerce, the White Bear Chamber of Commerce, the Hugo Business Association and the Vadnais Heights Economic Development Corporation.* Individuals interested in connecting with their local elected representatives, and different ethnic business clientele should definitely attend.

Business advocacy and member access to elected officials is a primary function of this event.

This event which connects you with our elected officials and provides an excellent networking opportunity is free to attend. Come and enjoy some incredible free Asian appetizers, and connect with fellow business owners and Hmong business leaders.
